A cartoon illustration of a beetle with a large, round, orange-brown shell. The beetle is holding a magnifying glass over its head, looking at a small pile of dirt. There are two small piles of dirt on the ground, one to the left and one to the right of the beetle.

A cartoon illustration of a yellow and black striped bee with wings, standing next to a small orange flame on a brown base. There are some small black dots above the bee, possibly representing pollen or sparks.
